

Specialised Assembly Line – Boat Trailer Assemblers

38 hours per week - Immediate start - Braeside, VIC

Location: Dunbier Marine Head Office, 136-164 Boundary Rd, Braeside, VIC 3195

About Us

Dunbier Marine is a well-established 50+ years business, well known in the market with the Dunbier and Mackay boat trailer brands. All trailers are manufactured in Melbourne then shipped to our interstate branches, where they are unloaded and distributed throughout Australia.

Due to increased demand, we are introducing new roles into our factory, in the form of a specialised assembly line. Acting as its own unit within our main assembly line, this specialised assembly line will have its own rules, procedures, and targets. This is your opportunity to be part of a small, close-knit team that is involved with the whole boat trailer assembly process from start to finish – not just one part of the puzzle!

What does the role involve?

- Assembly of boat trailer components
- Assembly onto trailers
- Quality control

What are the skills and qualities you need?

- Basic mechanical skills required
- A positive, can-do attitude
- Be a team player

What is in it for you?

- Immediate start
- Room to progress, with Supervisor opportunities available
- Guaranteed work, Mon-Fri – no weekends!
- Free on-site parking
- Work for a family and Australian owned company that has been in the marine business for over 50 years

All ages, races and genders are encouraged to apply. To apply for this role, complete the application form at www.dunbier.com/careers
