Marine Inspector

SeaWorthy Inspections is Australia's leading mobile vessel inspection specialist with operations on the Eastern Seaboard of Australia. We are seeking an experienced Marine Mechanic with at least 5 years of hands on servicing and maintenance experience in the recreational boating industry to join our successful Team in Melbourne covering the Western Suburbs and Geelong as a Marine Inspector.

SeaWorthy Inspections is a proud company delivering a comprehensive inspection service to the recreational boating market including fishing, cruising and ski boats as well as PWCs. We have developed industry leading processes to comprehensively inspect boats, engines and trailers and provide clarity to our customers on the vessel they intend to purchase or sell. We help our customers to make an informed buying decision, and importantly, to avoid the pain and expense of buying a defective boat.

The successful candidates must have:

- 5 years or more hands on experience as a marine mechanic post qualification
- Strong knowledge of all types and style of boat construction, outboard and inboard motors and related components, electrical and fuel systems, electronics and trailers
- Excellent hand tool skills
- Quality basic hand tool set
- Good customer service ethic
- Excellent attention to detail and pride in their work
- Ability and willingness to follow our proven systems
- Driver's licence with a clear driving record
- Technology competent on Ipad/iPhone platforms

SWI Company Inspector Profile & Selection Criteria

- Experienced marine mechanic with at least 5 years hands on servicing and maintenance experience in the recreational boating industry post qualification
- Certificate 3 - Marine Mechanics
- Proven ability and reputation/track record in the marine industry
- Strong knowledge of all types and styles of boat construction, PWCs, outboard and inboard motors and related components, trailers, electronics, electrical systems and fuel systems
- Proven ability and reputation/track record in the marine industry
- Strong commitment to marine safety, a compliant mentality and OH&S awareness
- Physically fit and healthy
- Good personal presentation
- Stable work (life) history and background
- Passion for the boating industry and community
- Good reputation with industry suppliers
- Strong customer relationship skills – a friendly demeanour
- Excellent attention to detail – quality mindset
- Cleanliness in their work, vehicle and presentation
- Pride in their work and results
- Punctual – good time management skills
- Must satisfy a Police Check
- Willingness and ability to follow to SeaWorthy Inspection's systems and processes
- Aptitude for use of specified software and systems and tooling
- Of good moral standing and ethics
- Ability to have honest and harder conversations with clients when required
- Good Team fit with SWI group/network
- Contributor – ideas and feedback
- Good driving history – patient and courteous

This is a fantastic opportunity for Marine Mechanics that have proven experience and skills in the marine industry, and are looking for a less stressful position, both mentally and physically in a role both rewarding and challenging. If you believe you have these qualities, then we would like to hear from you.
