

## Marine Mechanic

Race Marine specialises in the highest quality custom fitouts, servicing and maintenance for performance boating.

Race Marine was founded in 2004 by Offshore boat Driver/ Throttleman / Crew Chief, Simon Isherwood. The company has developed through over 30 years of building offshore powerboats for veteran racer Tony Low and in addition, has spent many years behind the scenes supplying labour, parts and advice to a variety of ski racers.

Race Marine is now looking for an experienced **Marine Mechanic** for a full-time position, at our clean & modern Mercury Racing dealership at Chelsea Heights in Victoria.

We are looking for a highly motivated and qualified person who is willing to work with and amongst our team.

Required experience with:

- Both Mercury Outboards and MerCruiser Inboards & stern drives
- G3 diagnostic equipment
- Be able to fit up new boat packages

If you have the experience, join the Race Marine team by submitting your application to Simon Isherwood, via email at [sales@racemarine.com.au](mailto:sales@racemarine.com.au).
